

the little wine brand that could (and did)...

[yellow tail] takes home big wins from wine shows around the world.

May 2011 - July 2011

[yellow tail] has been recognised as the Most Powerful Australian Wine Brand in the world.

According to The Power 100 report by British consultancy Intangible Business, [yellow tail] is ranked as the **most powerful Australian wine brand in the world** and number 37 in the top 100 wine and spirits brands globally. This is a fantastic achievement considering [yellow tail] is just 10 years old.
