## Yellow Tail Bubbles - Sparkling White Wine (Review)

**A dry sparkling white wine with notes of pineapple and a crisp finish...**

Yellow Tail Bubbles Sparkling White Wine is an affordable alternative to champagne for celebrating the New Year. This sparkling white has a fragrance of pineapple and a crisp, nicely tart finish.

Yellow Tail came out with a new bottle top called the Zork. It allows you to save your bottle of bubbly and finish it the next day. Read my Zork review [here](#).

I would serve this wine at a New Year's Day Brunch with quiche, fried potatoes, and fresh fruit. Add a splash of orange juice for a Mimosa.

*"Ripe tropical fruit flavors create medium sweetness and a light, crisp finish in this fun and fragrant sparkling white wine. Celebrate the occasion with bubbles." - Yellow Tail*
