## SHIRAZ

Here at [yellow tail], we believe that great quality wine can be affordable and good fun too. We ensure our wines are vibrant, flavoursome and approachable and that each variety helps to make special moments even more enjoyable. When it comes to wine, we like to make our own rules – the only thing we're really serious about is the quality.

[yellow tail] is instantly recognisable, both for its appearance and its personality. The following tasting note is designed to give you an insight into [yellow tail] Shiraz, but if you want to cut to the chase, it's simple...drink it, share it, and enjoy it.

**REGION** South Eastern Australia.

**WINE** [yellow tail] Shiraz is made with grapes sourced from the highest quality vineyards. Once the grapes are crushed and stems removed, they are fermented on skins in contact with oak. Temperature controlled fermentation ensures maximum varietal flavour, colour and tannin extraction. The wine is bottled at the winery in Yenda, New South Wales.
