

## **Biography**

---

### **Marcello Casella, Director, Casella Wines**

Marcello Casella is the youngest of the Casella brothers. As Director of Casella Wines, his main area of expertise is in the vineyard and revolves around the growing and harvesting of quality grapes each year. Marcello is also involved in the winery machinery maintenance department, winery acquisition and winery development and innovation, which includes the addition of new technology and machinery.

Marcello has refined his skills over years spent managing the growing number of vineyards on the Casella Wines portfolio, with an essential focus on keeping up with the constant technological changes within the industry to ensure Casella Wines is running at the forefront of vineyard management technology and efficiency.
